**Eligibility and Participation Requirements for Students in the  
PR-LSAMP Mentored undergraduate Research Experiences Program**

**Eligibility Requirements:**

To be eligible to apply for a PR-LSAMP stipend and participate in the Mentored Undergraduate Research Experiences Program, the applicant undergraduate student must:

1. Be enrolled in a science, technology, engineering or mathematics (STEM) program.
2. Have a GPA and a major GPA of at least 3.0 (selection of eligible applicants starts with the highest GPA).
3. Submit the application form with all the required documents by the established deadline.
4. Submit to the PR-LSAMP office the academic transcript (student copy accepted) by the established deadline.

Due to the limitation of funds, priority will be given to those eligible applicants that will be working with researchers that are actively publishing their research work.

**Participation Requirements:**

If accepted to the program, students must:

1. Attend all the workshops scheduled by the PR-LSAMP Program, as well as those scheduled by his/her research mentor
2. Comply with the requirements established by his/her research mentor regarding the hours to be dedicated to the research work in the lab.
3. Maintain a GPA and a major GPA of at least 3.0.
4. Present his/her research work at the Annual Puerto Rico Interdisciplinary Scientific Meeting (PRISM), to be held annually the second Saturday of the month of March.
